

SCREENCAST GUIDE

Junior Cycle English Assessment

This screencast to give an overarching view of assessment in Junior Cycle English, can be viewed as a subject department or by individual teachers. If you are viewing the screencast as a subject department, it would be advisable to have photocopies of **Handout 1** available for all members of the department who will be in attendance. Teachers should also have a copy of the **English specification** available during the screencast. The screencast runs for approximately **20 minutes** and there will be opportunities to pause the screencast to engage in different activities throughout. In total it should take approximately **45 minutes** to complete the viewing and accompanying activities.

If you have any questions in relation to this, or any of the materials available on our website, please contact info@jct.ie
