

Sharing Samples of Student Work for the Collection of the Student's Texts SLAR Meeting

Each third year teacher should submit four sample collections for the Subject Learning and Assessment Review Meeting. Where feasible, these samples should **contain an example at each of the four descriptor levels**. From each collection, please identify the piece that you would like to discuss.

The information will be used to create a running order for our upcoming Subject Learning and Assessment Review (SLAR) meeting. As we may not have time to discuss all 4 samples, please number the pieces 1 to 4. 1 should indicate the sample that you would most like to discuss at the SLAR meeting.
