

Teachers are asked to bring a laptop that is Wi-Fi enabled or other such device and Headphones to the Activating the Digital Elements of the Key Skills for Students workshop.

Music teachers are invited to bring a musical instrument of their choice to the Music workshop.

All teachers where possible are asked to bring a laptop, a tablet, or other device on their cluster day.

During the Science CPD day, Science teachers will be invited to download, edit and upload a word document to an online space. Please bring an appropriate device to perform these tasks.
