Thank you to all who attended our recent workshops in both the Kildare and Athlone Education centres. We have had over 140 teachers attending over the 6 weeks. Each 2 week session consisted of An Introduction to L1LPs & L2LPs and Teaching, Learning, Assessment and Reporting of L1LPs & L2LPs

For access to the Revised arrangements for the assessment and reporting of L1LPs and L2LPs for the cohort of students 2018-2021 (Students in 3rd year in 2020/2021) Click on link or picture below Revised Arrangements L1LPs/L2LPs

Revised arrangements for the assessment and reporting of Level 1 Learning Programmes (L1LPs) and Level 2 Learning Programmes (L2LPs)) for the cohort of students 2018 – 2021 (students in 3rd Year in 2020/2021) September 2020

Students experienced a disrupted period of learning in 2019/20 because of school closures introduced to curtail the COVID-19 pandemic. Despite the best efforts of teachers and schools to mitigate the effects of disrupted schooling, the learning experience of students varied. In this context, schools and this year's third year students could experience an unfair and disproportionate challenge in having to complete L1LPs and L2LPs, as set out in the L1LPs Guidelines and L2LPs Cultablines.

This document provides guidance to schools and teachers on the gathering evidence of evidence for PLUs and outlines the revised assessment and reporting of L1LPs and L2LPs for current 3rd year students (2020-2021).
