 between 10-15
 students.
 (5th and 6th year)

SNA's

Students follow the national school curriculum.

Students undertake the L2LPs covering Key Skills and Statements of learning for junior cycle. Students undertake one strand of a short course in first year.

 Students are banded for maths classes according to ability level.

Students undertake the L2LPs covering Key Skills and Statements of learning for junior cycle. Students complete a classroom based assessment for one short course and complete one strand of another.

 A small number of students undertake the first CBA of English at Level 3 and any other relevant subjects at Level 3

Pupils complete their L2LPs portfolios, both short courses and receive certification of achievements reached.

 A small number of students will complete relevant CBA's and AT's for Level 3 and sit final year exam in English or Maths or both.

Students complete a two year leaving programme focussing on independent living skills and supplemented with FETAC awards at level 3.

Pupils move on to further Vocational and life skills training.
