

## Engaging with the Google for Education Teacher Center

The [Google for Education Teacher Center](https://edu.google.com/teacher-center/) is a site for professional development, built by educators for educators. Learn, share and inspire through training, teacher resources and educator communities.

To access courses, open the **Training Courses** menu.

Courses can be filtered by product or skill type.

The Google for Education Teacher Center offers a wide range of courses to support educator professional learning at a range of levels.

**Build expertise and accelerate your learning with professional development programs**

Earning your Level 1 and Level 2 Educator Certifications prepares you for any of these programs. Pick one that's right for you.
