the website

Canva is the online platform that makes designing anything easy. With thousands of professionally made templates to get you started, you can create, customise, and share your designs in a few clicks.

Feel free to share your students' experiences with us, with their permission, via Twitter [@Jct4ed](#) or john.forrest@jct.ie

Please ensure that students and their parents/guardians are aware their work may be seen on Twitter if sent to JCT. Teachers, please ensure if emailing sample student work that you do so using your school/work email address.
