This week's resource is:
iDocCam

iDocCam

Click on the icons below to download

GET IT ON
Google Play

Download on the
App Store

iDocCam is an app that allows users to use their smartphone's cameras as a document camera for capturing live instructions or physical materials and then projecting them onto a big screen for viewing

Watch a video tutorial on iDocCam here

Feel free to share your students' experiences with us, with their permission, via Twitter **@JCt4ed** or **john.forrest@jct.ie**

Please ensure your students are aware their work may be seen on Twitter if sent to JCT. Teachers, please ensure if emailing sample student work that you do so using your school/work email address.
