Tá sé mar aidhm ag tuairisciú ar fhoghlaim na scoláirí sa chlár ar Fholláine pictiúr a sholáthar ar a bhfuil foghlamtha ag scoláirí maidir le folláine na scileanna atá forbartha acu chun tacú lena bhfolláine féin. Táthar ag súil go dtuairisceoidh scoileanna ar fhoghlaim na scoláirí maidir le folláine mar chuid den mheasúnú agus tuairisciú leanúnach le linn na Sraithe Sóisearai

Déanfar tuairisciú ar Fholláine anois trí PGSS den chéad uair in 2021. Taispeánfar an Fholláine i réimse ar leith den PGSS. Is sa réimse sin a thuairisceoidh scoileanna ar ghnóthachtáil scoláirí in OSSP, OSPS agus Corroideachas. Éascófar é sin trí úsáid a bhaint as na tuairiscíní a forbraíodh cheana féin agus a léiríonn an teanga chuí foghlama

- Thar barr
- Os cionn na nlonchas
- Ag teacht le hlonchais
- lonchais le baint amach fós

Áireofar i réimse Folláine PGSS spás bán do théacs ar féidir le scoileanna a úsáid chun tuairisciú ar ghnóthachtáil i bhFolláine i réimsí eile mar atá leagtha amach i mír 2.7. Is féidir tuilleadh eolais air sin a fháil i Lámhleabhar PGSS

* Fonóta: Sa chás nach bhfuil scoláirí ag tabhairt faoin ngearrchúrsa, ba chóir go léireodh an tuairiscín a bhronnann an múinteoir foghlaim agus gnóthachtáil an scoláire le linn an chúrsa staidéir.
